Reading, Pa. 19612

In re: Amity Township; **SET POINT TENNIS PROGRAM**

Dear Mr. Murphy:

We are writing to you about the Set Point Tennis Program that was started this summer in Amity Township. It has been a tremendous success involving (79) seventy-nine participants with no out of pocket costs to the Township. The Community was thrilled with this new program and Set Point's donation of \$790.00 back to the Board of Parks and recreation. We look forward to the continuation and growth of this program in our Township. On behalf of Amity Township and the Board of Parks and Recreation, thank you for bringing this program to Amity Township.

Yours very truly

Charles E. Lyon
Township Manager
