To Whom it May Concern:

I am writing this letter of recommendation for Mike Murphy, Director of the Set Point Tennis Organization. I have known Mike for over two years. We have worked together to plan an annual USTA Boys Sectional Tournament for Middlestates. In addition, our organization has partnered with Mike and Set Point Tennis, to provide free tennis lessons to middle school students in the Pottstown School district. I also have enrolled my own children in Mike's winter Jr. Team Tennis program.

Based on the above interactions, I can unreservedly recommend Mike Murphy and his organization to any individual or group who may be seeking a passionate tennis program organizer. Mike's dedication to the development of junior tennis players is unparalleled. During the last year, our program uncovered an extremely talented young tennis player from a household which could not afford to provide any private instruction. Mike volunteered to provide tennis lessons to this young man for free. This is an excellent example of his selfless dedication to our sport. Another example that I can share is that Mike invited a Fire Chief to our free winter clinic for middle school students so that the kids could learn about fire safety. His care for the children's well being both physically and mentally is obviously demonstrated by his actions.
