**BE GREAT**

3-17-2011

To whom it may concern,

This letter is written on behalf of Mike Murphy and Set Point Tennis Organization. Set Point Tennis conducted a sixteen week Life Skills tennis clinic this winter. The clinics provided the kids with tennis instruction and Life Skills choices. Education, Safety & Health were key topics presented to the children. The speakers allowed children to learn about the importance of education, career choices, personal & community safety, and health hygiene issues. The program reached over 300 participants. Mr. Murphy also secured two teachers to volunteer their time to assist our staff with tutoring the children after school. Our staff has seen a significant improvement in the children's self-esteem and self-confidence. We believe that our kids are making better choices about their educations and personal behaviors. We are currently working with Mr. Murphy on a Life Skills Summer Mentor Program.

Sincerely,

Manuel Sostre
