To Whom It May Concern:

This letter is written in support and recommendation of Set Point Tennis Organization and Mr. Mike Murphy.

Mr. Murphy and his organization have been involved with the Evening Reporting Center of the Children's Home of Reading for the last 2 year. Mr. Murphy and his volunteers go beyond teaching tennis skills. His desire to change and impacted at risk youth is commendable. He teaches and models life skills that any young person can use in order to be successful in life. Set Point Tennis is an asset to the kids in the Evening Reporting Program. His passion to make a difference in the community is to be admired and emulated.

We support Set Point Tennis mission to educate youth with life skills attributes and is our belief that the organization has earned serious consideration for funding opportunities.

Sincerely,

Manuel A. Villeneuve, M.A.
Director of Evening Reporting Center
