To whom it may concern:

Community Education Centers-ADAPPT is a contract Community Corrections Facility in Reading, Pennsylvania. Our mission is to assist formerly incarcerated offenders reenter society as productive citizens, through various programs and addiction assistance.

Mr. Michael Murphy has spent many hours helping our reentrants, through his commitment to help pass legislation to give these citizens, who are our neighbors and family members, a second chance in life. Mr. Murphy consistently donates his time and efforts, while pursuing a very busy academic and professional career.

I applaud his dedication and resourcefulness, and I truly appreciate all that he has done for our clients.

Please do not hesitate to contact me for further information.

Sincerely,

Michael Critchosin  
Facility Director
