

## Set Point Tennis Organization's Values

**Integrity** – Our relationships with each other and the greater community are based on honesty and respect, as we conduct ourselves with the highest ethical standards. Our work is guided by our organization's mission and values.

**Accountability** – We provide complete transparency to the public in regards to the usage and distribution of resources into funded programs. Both financial and outcome reporting meet the highest standard.

**Stewardship** – We ensure responsible management of donor funds for programs that deliver favorable outcomes. We provide convenient donation options and guidance for donors to wisely invest their contributions.

**Operational Excellence** – Our high standards of performance and commitment to continuous improvement and resourcefulness enable us to provide effective, efficient and quality services.

**Inclusiveness** – We value diversity and strive for inclusion. We act in ways that respect the dignity, uniqueness and intrinsic worth of every person.

**Collaboration** – We work as a team for the good of the organization and the community. We partner with other organizations and individuals to leverage our talents and resources for greater community impact.

**Making a Difference** – We mobilize the community to improve people's lives. We make a positive and lasting impact in our community.
