Lawrence A. Berringer
Executive Director

February 7, 2019

Dear Sir or Madam:

As Executive Director for the Berks Community Action Program, Inc., it is with full faith and confidence in Mr. Michael E. Murphy that I submit this letter of support on his behalf.

I have worked with Mr. Murphy in past years in various community projects and have observed the quality of his work, his untiring commitment to the community in which he lives and his dedication to community service. He has contributed greatly to the success of this organization's mission by providing over 100 hours of volunteer service to the community. His organization, Set Point Tennis, has been a valuable partner with BCAP for many years.

It is the intent of the Berks Community Action Program to support endeavors that lead to self sufficiency and provide for community needs. Set Point Tennis has been invaluable in in this effort.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lawrence A. Berringer', is written over the typed name and title.

Lawrence A. Berringer
Executive Director
