Dear Sir or Madame:

I am writing this letter on behalf Mr. Mike Murphy and Set Point Tennis Organization.

This winter, will we be partnering with Mr. Murphy to conduct a sixteen week life skills tennis clinic at our Pal Club. The clinics provide children with tennis instruction and life skills educational programing with a focus on career choices, personal safety, and health hygiene issues. Last year Mr. Murphy served more than 300 children in the City of Reading through this partnership and assisted in recruiting tutors to work with our children during our "Power Hour" homework center.

The Olivet Boys & Girls Club serves *thousands* Berks County youth, ages six to eighteen, in one of our five core program areas: Character and Leadership Development, Education and Career Development, Health and Life Skills, The Arts and Health and Fitness. Mr. Murphy and Set Point Tennis Organization complement our organizational focus areas.

It is a pleasure working with Mr. Murphy. His involvement assists the Club in reaching out to all youth in the City of Reading who need the positive influence that our Club provides.

Thank you.

Sincerely,

Christine Barlet
PAL Club Director
