Re: Michael Murphy

To whom it may concern:

I am writing this letter on behalf of Mr. Michael Murphy. I just recently met Mr. Murphy on several occasions in the course of his observations of the Berks County Court System. Mr. Murphy diligently observed proceedings in my courtroom on several occasions including a murder trial and family court proceedings.

I have had the pleasure of speaking with Mr. Murphy at great length on several important legal and social subjects. He demonstrates a keen thirst for knowledge, as well as a remarkable understanding of human nature.

I have found Mr. Murphy to be an engaging, personable, inquisitive, impressive gentleman.

Sincerely yours,

James M. Bucci
