To Whom It May Concern:

This letter of recommendation is on behalf of Michael Murphy and the Set Point Tennis Organization.

Mr. Murphy was recognized for his leadership qualities in 2007 when he received both the Berks County Tennis Association Volunteer of the year award as well as the Eastern Pennsylvania Middle States Tennis Association Director of the year award. It is my understanding that the Set Point Tennis Organization, under his guidance, seeks to foster young person's tennis skills as well as develop aptitude in self-discipline and in the importance of mental and physical health. Mr. Murphy and Set Point have participated in a number of programs that have helped reinforce life skills while also presenting positive role models to the children in Berks County and the City of Reading.

I support Set Point's mission to educate children with life skill attributes, and it is my belief that the organization has earned serious consideration for funding opportunities that would fit with its promotion of child wellbeing via education, community service and individual success.

Your consideration of Set Point Tennis Organization support is appreciated.

Sincerely,
Robert P. Casey Jr.
