To Whom It May Concern:

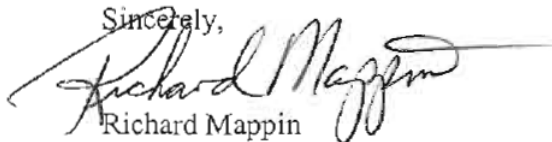

I am pleased to recommend Mike Murphy and his organization (Set Point Tennis) for grant consideration. Mr. Murphy has put together an organization to assist youth in learning and developing skills in the game of tennis. He is also showing youth how to apply these skills to everyday life.

This past spring and summer Mike and his organization provided 115 youth in the Governor Mifflin School District Area with opportunities to learn more about tennis. He also administered the Quick Start Tennis Program for our county and ran the Junior Team Tennis Program in the county. Mr. Murphy has also been very active in getting youth involved in USTA tennis tournaments both in the county and in other jurisdictions of the State of Pennsylvania.

In 2007 Mr. Murphy was awarded the Berks County Tennis Association's Volunteer of the Year and also in that year was awarded Tennis Director of the year by Eastern Pennsylvania Middle States Tennis Association. Mr. Murphy is also a very active member of the Berks County Community Foundation's Berks County Tennis Fund Committee.

As you can see, Mr. Murphy is active with youth and tennis. He has demonstrated his ability to develop and operate tennis programs. If you are looking to put your grant money with a person and organization that will get results, then you need to consider Mike Murphy and Set Point Tennis.

Sincerely,

Richard Mappin
